## Where is it?

- Set in the heart of rural North Norfolk. Next to the magnificent National Trust estate at Felbrigg, but just 15 minutes from the beach with Blakeney Point and the Broads.
- Set up by Alan & Veronica Marett in 1989
- Has the Quality Badge for Learning Outside the Classroom

## **Our aims and objectives:**

To increase engagement in, and contribute to geographical learning in Year 5 about the water cycle, coasts and rivers.

To enjoy participating in outdoor activities and adopt positive attitudes to challenge, adventure and the local environment.

To develop self-awareness and general social skills whilst also growing in independence and self-esteem.

To develop and demonstrate communication, problem solving, leadership and teamwork skills.

### **Accommodation**

- Bedrooms sleep groups of 6 – 14, mainly bunk beds, all with ensuite toilet and showers

- Extra sweets/food
- NUTS
- More than £5 pocket money
- Vest tops / short shorts
- No jeans
- No aerosols
- Clothes that you care about
- Camera do not buy especially for the trip

# Keeping up with our adventures!

We will post regularly on Twitter (signal and circumstances allowing) – this is the best way to find out what we are doing.

We will aim to post a photo of all children over the weekend (who we have permission for) but taking photos is not always easy and obviously not a priority for the adults.

Just because you have not spotted your child, doesn't mean that they

are not enjoying themselves!

## Forms:

Thank you for completing the permission, medical and dietary forms.

If you do any have further information, please speak to member of staff, send email with additional info

### **Depart:**

Sunday 8<sup>th</sup> October – please arrive from 9.30am, aim to leave at 9.45am

We will let children know on arrival which coach they will be on.

If your child has medication, you will need to hand this to a member of staff.

School won't be open

### **Return:**

Wednesday 11<sup>th</sup> October
Around 3.00pm we will keep you updated
via Twitter or email.

We usually unload suitcases and put over the fence into carpark so we can keep the pavement free.

We will take children onto the grass, and you can collect from there.

Help with suitcases would be appreciated.
