

Broke Hall Primary School

Friday 13th June 2025 Newsletter 14

Message from Mrs. Fairs:

Without wishing the time away, June is the month we begin to think about the end of the academic year. The Year Six children are excitedly preparing for their production, in and around visits from various teachers from Copleston; our Year Ones are given the Phonics screening and Year Four get to showcase their times tables knowledge in the Multiplication Tables Check. Teachers can really see the progress the children have made during their time together and writing their reports can be a real pleasure, especially if it can be done outside in the sunshine. Over the next few weeks, I will get to read many of these reports myself and I do so with intense pride.

We also extend our congratulations to one of our much-appreciated HLTAs who was married over the half term break -welcome Mrs Hafiz-Leach. We wish you and your new husband many happy years together.

Mrs. Fairs

Golden garden

During the half term break you may have visited the Suffolk Show and seen the Schools' Garden Competition area. The theme was "Our Favourite Book" and this year the standard set made for some tough competition. Judging day came, with the typical mixture of sunshine and showers, not to mention a pretty stiff breeze and several members of the gardening club joined Mrs Abbott to show off what they had grown together. The children did a wonderful job of presenting their garden and the judges were very impressed. We were delighted to come away with Gold, making this our highest ever placing! Well done to all who were involved.

Sports news

Thank you to everyone who came along to enjoy this year's Sports Days. Although some of you needed to wrap up warmly, this was preferable to melting in the July sun. It was a very close contest, but this year Lark were victorious with 2662 points just ahead of Deben with 2626 points. Waveney came in third place with 2379 points, followed by Orwell with 2304 points. Well done to everyone who competed, spectated and supported this milestone event in the summer calendar.

Years 2 and 6 also enjoyed a Bungee Run as part of our PE enrichment. Not quite an Olympic event but super-challenging and great fun, nevertheless. Pictured here are the Year Five/Six cricket squad, who competed at the School Games cricket tournament last week.

Learning by the lake

Year Four have been enhancing their learning and Living Things and their Habitats by visiting Lackford Lakes. This wonderful facility gave the children opportunities to pond dip, birdwatch and see many different species in their natural environment.

Visit to Baylham Rare Breeds Farm

Children in our Reception classes had a fantastic day looking at all the animals at Baylham. The highlights of their day included stroking Gabby the goat, brushing Charlie the pony and feeding the animals.

Term dates for your diary	
Monday 16 th June	Assessment week begins for Years 1-5
Tuesday 17 th June	6P to Life Exhibition
Wednesday 18 th June	6S and 6M to Life Exhibition
