

Year 6 Visit

Manor Adventure

Norfolk Lakes

12th - 14th October 2026

An aerial photograph of a large, calm lake. In the upper right quadrant, a large building with a prominent red roof is visible, situated on a grassy bank. The surrounding area is lush with green grass and scattered trees. The water reflects the sky, which appears overcast.

The cost for this residential weekend will be about £260. This amount is estimated as whilst the Manor Adventure price per child is fixed, the cost of the coaches will be split between the children going and will therefore depend upon the final numbers.

If you would like your child to take part in the residential visit, please confirm this by paying the non-refundable deposit of £50.00 via Arbor by Friday 28th November
(We cannot guarantee that further places will be available after this time).

Confirmation of the total price will be given in early December and a payment plan to ensure the balance is paid by 6th July 2026.
